*ToT Workshop on the RoadMap to
Community Resilience
Seoul, 15-17 March 2017*

**Words of welcome
Introduction**

Background

- The **Framework for Community Resilience** (FCR) revised in 2014.
- The **Global Community Resilience Forum in Cali**, Colombia, in Nov 2014, called for scaling up the RCRC work for community resilience.
- NSs requested the IFRC Secretariat to support them in **operationalizing the FCR**.
- IFRC developed the **Road Map to Community Resilience** to provide step-by-step guide for operationalizing the FCR.
- The IFRC Secretariat is organizing this **ToT** workshop to facilitate the roll out of the Roadmap.

Objectives

- Solidify **knowledge** on the resilience concept, history, principles and community characteristics in RCRC;
- Develop a **shared understanding** of the RCRC approaches that foster community resilience and the 4 stages on the ‘journey’;
- Jointly develop and perfect RCRC **training skills** (plans, principles, strategies, tactics);
- Jointly develop the **roll out plan** of the roadmap.

Outcomes

- Develop a **shared understanding** of resilience in the RCRC context and the steps for strengthening community resilience;
- Help establish the basic tenets of a **joint global & regional training strategy**, specific to resilience;
- Agree on a **roll out plan** of the roadmap at country level.

Agenda

Thank you
