

The Opening Ceremony of the first Asia Pacific Reference Center on DRR & Community Resilience\_ 22.9.2016

# Asia Pacific Disaster Resilience Centre 2016-17 Operational Plan

Supported by:

**+C** International Federation  
of Red Cross and Red Crescent Societies

Korean Red Cross **+**

## Vision

**COVER DEEPER**

**SPREAD BETTER**

**REACH FURTHER**

- **Cover deeper:** covering in depth topics related to reducing disaster risks and strengthening community resilience
- **Spread better:** upholding the collaborative networks with partners.
- **Reach further:** applying its enhanced learning and knowledge to all Asia Pacific National Societies and partners

## Goal

- manage and share information by learning, documenting, improving and disseminating existing models and cases
- conduct researches on issues pertaining to community resilience and humanitarian actions
- promote and implement resilience policies and strategies
- provide technical assistance to support resilience efforts of Asia Pacific National societies and partners

## Approaches

Supported by:

## 2016-17 Operational Plan
