Way Forward for the Roll Out

ToT Workshop on
the Road Map to Community Resilience,
15-17 March 2017
«Road Map to Community Resilience»
Video Film (4 minutes):
Reflections on the Day 1 and 2

- Group discussion (40 minutes):
  - What are your key takeaways?
  - What success will look like?
  - How can we measure it?
  - Anything not clear yet?

  (Discuss the questions in your table. Appoint a rapporteur to report back to the plenary session.)

- Group presentation (25 minutes)

- Plenary discussion (50 minutes)
Pilot Testing of the Roadmap

- Concept
- Planned activities
- Budget
Pilot Testing of the Roadmap (cont’d)

- **Objective:** Scale up community resilience actions through the roll-out of the Roadmap.

- **Expected outcomes:**
  1) NSs adopt the approach of *accompanying, enabling and connecting* in supporting communities’ journey to resilience.
  2) Roadmap is **tested in the field** and best practices and lessons learned are shared.

- **Target countries:**
  Kenya, Zimbabwe, Bangladesh, Fiji, Mongolia, Timor Leste, Haiti, Mexico, Armenia, Tajikistan, Egypt, Palestine
Pilot Testing of the Roadmap (cont’d)

- Selection criteria of communities
  - NS knowledge and presence
  - Community’s commitment
  - Vulnerability profile
  - Different contexts (emergency, recovery, development)
  - Mapping existing and future programmes

- Types of communities
  - With no programmes of RCRC or other stakeholders
  - With programmes of RCRC and other stakeholders
  - With on-going RCRC programmes only
  - With on-going programmes of other stakeholders only
Pilot Testing of the Roadmap - PoA

1. **NSs** adopt the approach of **accompanying, enabling and connecting** (Jan-May 2017)
   1) **Understand their role** in strengthening community resilience.
      - Global ToT in Korea, 15-17 Mar 2017
      - One regional ToT (location yet to be confirmed)
      - Trained trainers to replicate the training in communities where the field testing of the roadmap will take place.
   2) **Review & change the way** they design/implement community-based programmes.
      - Appoint NS focal persons for community resilience projects.
      - Review and redesign community programmes.
Pilot Testing of the Roadmap – PoA (cont’d)

2. Roadmap is **field-tested** and best practices and lessons learned are shared (Apr 2017 – Mar 2018)
   1) Communities **understand the process and are committed** to it.
      ✓ Raise community awareness on resilience
      ✓ Confirm community’s commitment to resilience.
      ✓ Confirm the selection of target communities
   2) Communities are **engaged in the process** of strengthening their resilience
      ✓ Facilitate community organization
      ✓ Assess vulnerability, capacity and needs
      ✓ Develop and implement a community resilience action plan
      ✓ Monitor and evaluate the project implementation
      ✓ Document and share the best practices and lessons learned.
Number of people reported killed and affected in 1996-2015

- **Kenya**: Total number of people reported affected (1993–2005), Total number of people reported affected (2006–2015), Total number of people reported affected (2015)
- **Zimbabwe**: Total number of people reported affected (1993–2005), Total number of people reported affected (2006–2015)
- **Haiti**: Total number of people reported affected (1993–2005), Total number of people reported affected (2006–2015)
- **Mexico**: Total number of people reported affected (1993–2005), Total number of people reported affected (2006–2015)
- **Bangladesh**: Total number of people reported affected (1993–2005), Total number of people reported affected (2006–2015)
- **Fiji**: Total number of people reported affected (1993–2005), Total number of people reported affected (2006–2015)
- **Mongolia**: Total number of people reported affected (1993–2005), Total number of people reported affected (2006–2015)
- **Timor Leste**: Total number of people reported affected (1993–2005), Total number of people reported affected (2006–2015)
- **Armenia**: Total number of people reported affected (1993–2005), Total number of people reported affected (2006–2015)
- **Tajikistan**: Total number of people reported affected (1993–2005), Total number of people reported affected (2006–2015)
- **Egypt**: Total number of people reported affected (1993–2005), Total number of people reported affected (2006–2015)
- **Palestine**: Total number of people reported affected (1993–2005), Total number of people reported affected (2006–2015)

Pilot Testing of the Roadmap – Budget

- **Funding:** CHF 250,000
  (Norwegian RC, Swedish RC, Swiss RC)

- **Budget:**
  - Field testing: CHF 230,000
  - Learning & KM: CHF 20,000
Questions
Pilot Testing of the Roadmap (PoA)

- **Group discussion on PoA** (5 regional groups + PNS group): 30 minutes
  - Selection of target communities
  - Entry points of intervention
  - Planned activities
  - Implementation, monitoring, reporting
  - Timeframe
  - Expected expenditures

- **Group presentation** (30 minutes)

- **Q&A** (10 minutes)
Time for lunch.
Coordination & Knowledge Management

- **Global/regional coordination**
  - Focal person in Geneva & regions
  - Coordination through regular calls and emails

- **Knowledge management**
  - Email group
  - Community of practice
  - Peer to peer exchange
  - Exchange visits

- **Regional training:** location/time (tbc)
  - Is any region interested in hosting it?
Coordination & Knowledge Management (cont’d)

- **APDRC presentation** (10 minutes)
- **Group discussion** (30 minutes)
  - Who will be the focal person?
  - What will be the regional coordination mechanism?
  - What support do you need from Geneva & regions?
  - How can PNSs engage in and support the roll out?
  - What role do you expect the APDRC to play in the rollout?

- **Group presentation** (25 minutes)
- **Q&A** (15 minutes)
Concluding Session

- Feedback & recommendations
- Conclusion
- Evaluation form
